F. APPROVAL OF MINUTES

1. April 24, 2023, Regular Board Meeting

The April 24, 2023, Regular Board Meeting minutes were presented for consideration.

It was noted that "Treeline" should be one word. In addition, Ms. Hagen was misspelled under H2 and there were no public comments.

A **motion** was then made by Mr. Schrotenboer, seconded by Mr. Gordish and passed unanimously approving the April 24, 2023, Regular Board Meeting minutes, as amended.

2. Consider Resolution No. 2023-03 – Adopting a Fiscal Year 2023/2024 Proposed Budget

Resolution No. 2023-02 was presented, entitled:

RESOLUTION 2023-03

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE ARBORWOOD COMMUNITY DEVELOPMENT DISTRICT APPROVING A PROPOSED BUDGET FOR FISCAL YEAR 2023/2024 AND SETTING A PUBLIC HEARING THEREON PURSUANT TO FLORIDA LAW; ADDRESSING TRANSMITTAL, POSTING AND PUBLICATION REQUIREMENTS; ADDRESSING SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

Mr. McElligott went over the methodology, noting that while we are locked into the debt portion, we can adjust the O&M portion. Mr. McElligott presented an overview with Option A and Option B. Option A is currently being used and is gross acreage. Option B is net acreage or developable, with the lakes and preserves removed from the total. As seen in the chart, Somerset and Bridgetown will have slight decreases to O&M; all other developments will see an increase. Mr. Schrotenboer asked what was customary in other CDDs. Mr. Haber explained that Arborwood was unique in the breakdown of neighborhoods. Typically one neighborhood is one CDD or there are units of development with multiple bond issuances for each neighborhood. Mr. Gordish believes Option B would be more equitable as the golf course and G and H will pay their share. Mr. Gordish stated that \$60,000 for lake banks seemed to be too high and questioned the number. Mr. Haber reminded the Board that this was the proposed budget and assessments come down from these numbers, but not increase.

A **motion** was made by Mrs. Pattison, seconded by Ms. Hagen adopting Resolution No. 2023-03, choosing Option B and setting the Public Hearing for August 21, 2023. Upon being put to a vote, the **motion** carried 4 to 1 with Mr. Schrotenboer dissenting.

3. Consider Individual Environmental Resource Permit –

This is a request from the property owner to adjust the permit. They are not seeking to change ours, but the CDD owns land that encompasses for the permit. Mr. Maastricht was present to answer any questions. The permit has been conditionally issued with the requirement that the CDD will provide a letter of authorization to water management. This dates to a previous project started in 2006. An ERP was issued so that would change the shape of the lake. The size of the lake would essentially be the same, but it would allow easements around the lake. A discussion ensued. Should we sell or grant a construction access agreement? If bond money was used, can we sell? Easement costs paid by the requester? There are 2 issues: the letter for the permit and rights to the property. Mrs. Pattison does not feel comfortable issuing those without additional information. The Board does not feel comfortable spending money to investigate the matter.

A **motion** was made by Mr. Gordish, seconded by Ms. Hagen and passed unanimously authorizing Mr. Schrotenboer to work with District staff and the landowner to sign an agreement to research the request.

G. OLD BUSINESS

1. Update Regarding Road and School Impact Fee Credits

Ms. Krizen has been pulling District records and we have been able to match amounts with an entity that should have been assigned the credits. However, it is still inconclusive. The process should have been: 1. The CDD would give the developer a certificate to take to the County. 2 The developer will take the certificate to the County for transfer. Currently, we are not sure where the breakdown occurred. What is best for the CDD? Do other parties have claims? A quiet claim is a process to notify all parties that you are interested in claiming the credits. Is that the correct choice?

A **motion** was made by Mr. Gordish, seconded by Ms. Hagen and passed unanimously authorizing Mr. Haber to research the proper methodology to quiet title or the best process and other obligations for the Road and School Credits.

H. NEW BUSINESS

1. Consider Proposal for Treeline Lighting and Repairs

The District only received one proposal from American Infrastructure in the amount of \$74, 590. It was noted that the District has an insurance claim that will be processed concurrently with this to cover the work minus the deductible.

A motion was made by Mr. Gordish, seconded by Mr. Schrotenboer and passed unanimously approving the proposal from American Infrastructure in the amount of \$74,590 for the Treeline lighting and repairs, as presented.

2. Review E-Mail from Lee County Commissioner Pendergrass' Office and Meeting Scheduled for June 5, 2023, Regarding Treeline Streetlights

Mr. Gordish noted that he had a meeting scheduled with Commissioner Pendergrass on June 5, 2023, to discuss the County assuming some of the District's lighting.

3. Consider Proposal for Lake Bank Repairs

Mr. Lorenz presented an updated proposal with finalized numbers.

A **motion** was made by Mr. Gordish, seconded by Ms. Hagen and passed unanimously approving the proposal from JR Evans Engineering in the amount of \$51,100 for lake bank repairs, as presented.

4. Consider Proposal from Woods and Wetlands for Exotic Maintenance

A **motion** was made by Mrs. Pattison, seconded by Ms. Hagen and passed unanimously approving the proposal from Woods and Wetlands in the amount of \$10,800 for exotic maintenance within the Parcel C Preserves.

I. ADMINISTRATIVE MATTERS

- 1. Manager's Report
 - a. Financials

The financials were presented and the Supervisors had no questions.

It was noted that the next meeting was scheduled for June 19, 2023, and the Public Hearing on the budget was set for August 21, 2023.

2. Attorney's Report

It was noted that the Board would be required to do annual training on ethics. More information will be provided as it becomes available.

3. Engineer's Report

Mr. Lorenz had nothing further to report.

4. Field Inspector's Report

Everyone was reminded that this was the dry season and that the lakes continued to recede and looked healthy. Year-to-Date rainfall is typically 10 inches – currently we are at 5 inches. The irrigation on the golf course is causing erosion, especially since it has been so dry. The 13th green repair needs additional attention.

5. Woods and Wetlands Report

There have been some inspections in the preserves in preparation of treatment. Treatment will take place in the next month or so. A reinspection will take place after the treatment. The dead tree will be topped or removed during the treatment.

J. BOARD MEMBER COMMENTS

There were no further comments from the Board Members.
